## Payment Instructions & FAQs

### Notes:

- To ensure your lodging dates, please make sure that we receive your first planned payment within 7 days of receiving these instructions. (If there will be a delay for any reason, be sure to contact us. We can work through a lot of problems when we know about them. 😊)
- Avoid "Wire" transfers if you can. Wire transfers reduce transfers by one or two days, but charge higher fees on both sides of the transactions, which we charge back to you, adding to your costs.
- To speed our confirmation of your payments & our ability to track errant transfers, please send us a copy of the payment confirmation you will receive from your sending institution.

**For €€ Euro Payments** you will need the some of the following information about CDR's receiving account:

- Bank Name: Alpha Bank Hellas
- IBAN#: GR73 0140 6600 6600 0231 0043 485
- Type of Account: Checking, Personal
- Account#: 660 0023 1004 3485
- Name on Account: Richard K. Harriman
- BIC/SWIFT Code: CRBAGRAA (sometimes as CRBAGRAAxxx and sometimes as CRBAGRAA660)

### For \$\$ USD Payments

- **Zelle**, is the easy, free & preferred option. If your bank offers Zelle, our linked email is [info@koukouvayia.com](mailto:info@koukouvayia.com). (Don't worry if Zelle limits or spreads your payments over several days because you're a first user. As long as we know your payments are progressing, that's fine. Just let us know.)
- **For non-Zelle \$\$ USD Payments** you can either do a direct bank-to-bank transfer or a "wire." The first is quite simple, especially if your bank is also Bank of America (just choose the options in your online banking pages and follow the directions.) Bank-to-Bank transfers are also often available through a banks' online banking options. For either method, you will need the following info about CDR's receiving account:
  - Bank Name: Bank of America
  - BIC/SWIFT Code: BOFAUS3N
  - Type of Account: Checking, Personal
  - Routing# non-wire transfers: 011200365
  - Routing# for formal "wire" transfers: 026009593
  - Account#: 0093 9355 7061
  - Acct Name: Richard K. Harriman &/or Heidi Palola
  - Address: Villa Koukouvayia Farms, Kourthiana Agricultural Rd, Kissamos/Xania 73400, GREECE

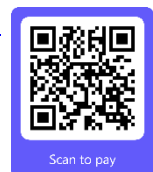

Of course if the easy options don't work, go ahead and wire the funds, and we'll work out the fees later. (We want to be sure your first step joining us is as easy as possible, so if you have any questions, just send a note.)

**Credit-Card Payment Option:** While the methods above are always effective for the actual task of payment, we realize a few customers will prefer, despite the processing fees, to use a credit card in order to garner various CC perks/points, or to use the CC's line of credit, etc. For that reason, we do offer a CC option if customers wish to pay the 3.2% processing fee this option will incur. For those opting to pay by card, simply multiply your amount due x 1.032 & then use the direct links or QR Codes below to access a CC portal:

Let us know of any problems; and we'll look forward to welcoming you soon!
